

Nutri-Serve's

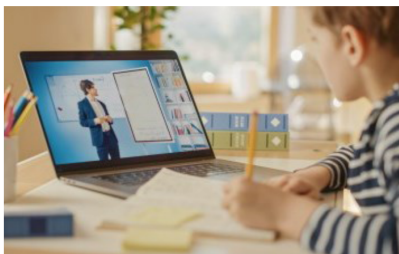

2020-2021 Meal Order Form

While students are learning in a hybrid model at Archway Program's, Nutri-Serve Food Management remains committed to serving quality, nutritious meals to students. We will be offering meals for students in school, *as well as offering the option to order meals for days students are remote-learning*. Meals for the days students are learning at home must be ordered using this form. Students will pick up meals for remote learning days from the cafeteria on the days they are in school.

Breakfast and lunch menus can be found on the Archway Program's Website.

Please fill out and return to the cafeteria every Monday Morning:
