EVESHAM TOWNSHIP, N.J. - Archway Programs honored staff members for their time with the non-profit at the Career Center at Archway's Upper School.

On the morning of Friday, March 23rd, Archway Programs honored 38 members during its 11th annual Employee Recognition Breakfast.

"Our Employee Recognition Breakfast reminds us about what is important about Archway," said George Richards, chief financial

officer and interim chief executive officer.

"It's not all about our accomplishments. It's all about the people. Thank you for all that you do every day, even when there is no recognition."

The event is held to recognize employees' longevity at the non-profit and to support its staff.
