

January 11, 2021

Dear Parents/Guardians,

This letter is to inform you that a person who was at the Just Kids Zane North program has tested positive for Coronavirus Disease 2019 (COVID-19). Just Kids is coordinating closely with the school district and county health department and is following CDC, state, and county health department guidance in order to assure the health and safety of our community. Just Kids has also been in direct contact with the Principals: Mr. Thomas Santo and Ms. Jen McPartland, as well as the district nurse and has conducted a contact tracing process. We have communicated with parents of students who are considered to have been in close contact (within 6 feet of distance for 15 minutes over a 24 hour period). A list of all the impacted students has been shared with each specific elementary school staff.

Those students considered as close contacts must quarantine at home for 14 days from the day of last exposure, which is January 5<sup>th</sup> for most children. This means the quarantine period is until January 19<sup>th</sup>. Just Kids is specifically asking you to complete a quarantine period, based on the [CDC](#) and [NJ Department of Health](#). Quarantining students can resume school on Wednesday, January 20<sup>th</sup>. If your student is symptomatic or receives a positive COVID-19 test result during this period of time, please contact your school nurse in addition to Just Kids.

All exposed areas have been cleaned and disinfected according to established protocols by the Just Kids Program. We will continue to work with the school district to take necessary precautions to prevent the introduction and spread of viruses and other germs. **In addition, we are temporarily closing the Just Kids Zane North Program for the quarantine period through January 19th. Just Kids will re-open on Wednesday, January 20th, 2021.**

Just Kids believes in full transparency and will continue to keep clear, open lines of communication with parents to ensure everyone's safety. To view our Re-Opening Plan which lists added safety measures we are taking at the Just Kids Program, in addition to any COVID-19 updates inclusive of all programs throughout Archway, visit [www.archwayprograms.org/covid19](http://www.archwayprograms.org/covid19).

Thank you for your support and understanding. If you have any questions, please do not hesitate to reach out by phone at 856.768.8190 or by email at [lorin.powell@archwayprograms.org](mailto:lorin.powell@archwayprograms.org).

Sincerely,

*Lorin Powell*
