Join Hands With Us

Archway Programs invites staff, volunteers, and community members to join us for our Annual Hands Around the Lake Autism Walk. We are gathering as a community and a family to promote Autism Awareness and raise money to support Archway Community Members on the autism spectrum.

Participants are encouraged to arrive by 10:20 a.m. as we join and form a circle around the lake. Enjoy live music, entertainment, games, activities, and refreshments in a festive family-friendly environment.

Complimentary bottled water and pretzels will be provided to all participants. As part of our fundraising efforts, delicious homemade baked goods and various autism awareness items will be available for sale during the event.

We hope to stand with you in solidarity to support our community of family, friends, and loved ones on the autism spectrum.
