# AUTISM *Walk*

## HANDS AROUND THE LAKE 2025

We invite you to join the Archway staff, volunteers, and community members for our Annual Hands Around the Lake Autism Walk. As a community and family, we are coming together to promote Autism Awareness and raise funds to support individuals with autism through Archway Programs.

Participants are encouraged to arrive by 10:20 a.m. to prepare for circling the lake together. Enjoy live music, entertainment, activities, and refreshments in a festive, family-friendly atmosphere. Baked goods and Autism Awareness items will be available for purchase to support our fundraising efforts.
